 Many men will drink the rain
C#m **A**
 And turn to thank the clouds
E **B**
 Many men will hear You speak
C#m **A** **A**
 But they will never turn around

E **B**
 I will not forget You, You're my God, my King
C#m **A**
 And with a thankful heart I bring my offering
E **B**
 And my sacrifice is not what You can give
C#m **A**
 But what I alone can give to you

E **B**
 A grateful heart I give, A thankful prayer I pray,
C#m **A**
 A wild dance I dance before you
E **B**
 A loud song I sing, A huge bell I ring,
C#m **A**
 A life of praise I live before You

 Many men will pour their gold

 Many men will read your words
C#m **A** **A**
 But they will never change their minds

 I will not forget You, You're my God, my King
